

Trend profiles Financial Services (referred to as Trend profiles from hereon) is a proprietary based advisory firm specializing in providing newsletter services on commodity futures and options.

Trend profiles Principles

Trend profiles does our utmost to protect your privacy through the appropriate use of security technology. This means:

We ensure that we have appropriate physical and technological security measures in place to protect your information. We ensure that when we use other services providers for any processes, these service providers also have appropriate security measures in place to protect your information.

Marketing mails:

Trend profiles Service marketing is done after a thorough research on global markets and in this process some of the ongoing developments in the financial markets or the ones already occurred could be used as a marketing tool. In no case Trendprofiles practices luring traders of only a best possible scenario to favor trading all the time. Marketing mails are for information purpose only and should not be considered as an offer to buy or sell securities.

Free Signup of news letters:

Trend profiles respects your privacy and shall in best practice not distribute or sell the details of those subscribed to free news letters.

Free trail:

Trend profiles reserves its rights to provide free trail only to those providing their appropriate details and reserves its rights to not provide to competitors or those who found to be re-selling our services.

Introducing Broker:

Trend profiles is an introducing broker of Gain Capital UK (also known as forex.com). Any accounts opened through us are bound by the rules and regulations of Gain Capital. Trend profiles does not have any separate offerings other than what Gain capital offers.
